## LOGIC PUZZLE

Print out this brain puzzle and use the table to solve it.

Each box represents a possible answer. Find the right combination of rows and columns.

When you find a box that can't be an answer - mark it with an "X".

When you find a box that is an answer - mark it with "✓".

NAME	CHARLIE										
	ANNA										
	SUZIE										
	BRAD										
	JOSE										
DAY	MONDAY										
	TUESDAY										
	WEDNESDAY										
	THURSDAY										
	FRIDAY										

### Story:

Each of 5 friends practised a different sport on a different day of the week.

Find out **who** did **which** activity **when!**

### Clues:

- Jose did an activity that requires a big snowy hill, but Anna did not.
- Suzie, who went snow walking, did her activity earlier in the week than Anna.
- Brad participated in his activity on a day that starts with the letter between S and U in the alphabet.
- The kid who went skiing, who wasn't Charlie, went on a day with 6 letters.
- The kid who did tobogganing, went on Friday.
- Anna needed to sharpen her skates for her activity.
- Suzie did her activity on Tuesday.
